Dear Participants  
and Vietnam Friends

**The SVCC and Neff's Attorneys at Law** take the opportunity to **thank you** for coming to our Vietnam Roundtable on Friday the 15th of May 2009 in St. Gallen.

**This** was the first roundtable conducted by the Swiss Vietnamese Chamber of Commerce (SVCC) - and already the second such event is planned to take place on the 19th of June in Geneva.

**The** organizers are keen on developing these roundtables into frequent happenings so that a focused and inspiring network can be offered to its participants. This network can only grow further with your input and participation. We thus highly appreciate your recommendations and suggestions.

**We** also want to remind you about our member's newsletter. The first newsletter has been issued early this year and the next one is due this summer. Our aim is to further develop the newsletter and include practical focus topics that are of interest to our members. Such focus topics should be selected according your needs and thus we invite you to let us know what your specific topics of interests are. Already the first newsletter had a section in which current projects in Vietnam are listed. Also this section can use your input, we welcome your suggestions on potential projects that can be introduced.

Please contact us for any issues and needs or to become a member of the SVCC.

Best regards

Le Nhi Schmidli on behalf of the SVCC
